WORK EXPERIENCE

Ededge GROUP

Data Analytics Internship

Remote, UK

Oct 2025 – Dec 2025

- Cleaned and structured datasets in Excel; used PivotTables, lookup functions, conditional formatting, and data validation to build consistent reporting templates and quality checks.
- Built interactive dashboards in PowerBI, with clear KPIs, drill-down analysis, and stakeholder-friendly visuals; created measures and model relationships to support reliable reporting.
- Wrote SQL queries to extract, join, and aggregate data (joins, subqueries, GROUP BY/HAVING) and created reusable reporting outputs.

Aldi LTD

Selector

Atherstone, UK

May 2023 - Present

- Efficiently processed inventory and deliveries by following detailed instructions through a headset communication system.
- Ensured accuracy and attention to detail when handling store-specific allocations, verifying store numbers, and matching items to the designated locations.
- Maintained meticulous checks on relevant paperwork to ensure compliance with company standards.

Tesco PLC

Warehouse Operative

Hinkley, UK

Oct 2022 – May 2023

- Operated forklifts to load, unload, and transport pallets safely and efficiently within the warehouse and storage areas.
- Assisted in inventory management by accurately moving and organizing pallets according to operational needs.
- Coordinated with team members to ensure smooth workflow and timely completion of tasks.
